# KAISER SEEKS SEPARATE CONTRACT

## Land Acquisition Is On Schedule

Agreements as to price have been reached on 89 percent of the parcels of land required for the Barkley project on which negotiations have been completed through October 15, 1959, according to Colonel Vincent P. Carlson, District Engineer of the Nashville District, Corps of Engineers, U. S. Army.

The District Engineer stated that during the fiscal year ending 30 June 1960, the Corps had acquired by direct purchase 416 parcels of land in fee simple and 53 parcels in flowage easement. In addition to this, 30 parcels in fee simple and 5 parcels in flowage easement, on which agreements were reached as to price, were acquired through a court action because the owners were unable to convey by deed good title to the property. During this period it was necessary to process 52 fee simple parcels and 12 flowage easement parcels to the court because of price. Of the 64 parcels which were placed in court because of disagreement of price, 11 have been settled; four by jury trial and seven by the owners accepting the amount previously offered.

During the current fiscal year, up to October 15, options have been secured for purchase of 111 parcels in fee simple and 100 parcels in flowage easements. These 216 parcels contain a total of 4,400 acres. Also, option contracts were secured on an additional 34 parcels in fee simple and 7 parcels in flowage easement which cannot be concluded by direct purchase because of defective title or some other disability. An additional 32 parcels, totaling 628 acres, will be processed for court action within a few weeks.

In summary, negotiations have been completed on 897 parcels of land, of which cases involving 64 parcels have been submitted for court action. As to price and cases involving 32 parcels will be processed for court action as to price within a few weeks. This

## Calloway Citizens Buy \$8,387 In Bonds

The citizens of Calloway County purchased \$8,387 in Series E and H Savings Bonds during September, bringing the county's cumulative sales for the year to \$109,831. The county's goal is \$245,100.

In Kentucky, sales during September amounted to \$4,213,952, which brings the cumulative figure to \$42,963,712. The State's 1959 goal is \$64,500,000.

After signing into a law a Congressional Bill permitting the Treasury to increase interest rates on Series E and H Savings Bonds from 3-1/4% to 3-3/4%, President Eisenhower said:

"To my mind there is no better way of saving, no more effective way of strengthening our power for peace, than to own United States Savings Bonds. To buy these bonds is to express faith in America. It helps provide the economic strength in both our government and in individual families on which our freedom depends. I hope that the making of both old and new Savings Bonds even more attractive will serve as a renewed invitation to every citizen to buy and hold these 'Shares in America'."

## New Directory Is Distributed By Southern Bell

A measure of the growth of Murray and surrounding communities is the large increase in the number of telephone directories being distributed beginning today to local subscribers.

Delivery will take several days but should be completed by October 29th. Approximately 4800 new directories are going to homes and businesses, according to F. H. Riddle, Murray Telephone Company manager, compared to 4400 when the last directory was delivered.

The new telephone directory has many new and changed listings and other helpful telephone information. Enough new directories have been printed to supply every telephone subscriber and to allow for future expansion.

The classified section (yellow pages) contains listings for business telephone subscribers under headings alphabetized according to their businesses or professions.

The variety of classifications describing products, services, professions and businesses provides a convenient ready reference guide when you want to locate a firm or individual. Mr. Riddle pointed out.

Also following the alphabetical listings for Murray and Aurora, Southern Bell subscribers will be found listings of subscribers of West Kentucky Telephone Cooperative Corporation of Hazel, Kirksey, Lynn Grove, New Concord, Ky., and South Hazel, Tennessee.

Upon receiving your new directory please destroy your old one, he said.

WASHINGTON (UPI) — The Kaiser Steel Corp., and the striking United Steelworkers began negotiations behind closed doors today on a separate settlement for Kaiser's 7,500 workers.

Union sources were optimistic a contract could be ironed out before the end of the day. A union spokesman said a statement might be forthcoming "after lunch."

Kaiser announced Sunday night it was breaking from the 11 other big steel companies and opening separate negotiations in the 10-day strike.

Edgar F. Kaiser, chairman of the steel company, and Union President David J. McDonald met in a suite at the Sheraton-Carlton Hotel at 10:30 a. m. EST. Also sitting in were Arthur J. Goldberg, the union's chief counsel, and Jack Arshy, president of Kaiser Steel.

In the announcement Sunday night, Kaiser said, "We believe the decision to bargain separately with the union is the only responsible step we can take in the face of the mounting national emergency caused by the 104-day strike."

He said the industry coordinating committee was advised several days ago that Kaiser would stand with the group until 6 p.m. Sunday, and "if we were not convinced at that time a settlement was near, we would start separate negotiations."

## Day Of Happiness Turns Out Tragically

CHELSEA, Mass. (UPI) — A sobbing mother hugged her only living child in her arms today and told how a day of "happiness" turned swiftly into the most tragic day of her life.

Mrs. Marguerite Espinola, 40, arrived home from a stay in the hospital Sunday to find her husband, Frank, 60, and five of her six children dead from gas poisoning. Besides the father the victims were Donald, 14, Nancy, 12, Joseph, 9, Philip, 7, and Kenneth, 5.

"I tried to get him all morning," Mrs. Espinola said. "I was going to come home Sunday. She had undergone surgery during a 10-day stay at the hospital."

Her voice choked with sobs as she added, "It was a day we were all looking forward to."

The Espinolas have no telephone. Mrs. Espinola called her brother, Frederick Sheppard Jr., of Malrose, when her husband failed to come to the hospital to pick her up.

"I knew something was wrong," she said.

Sheppard knocked on the door but received no response. He went to the rear of the two-story wooden house and kicked in a window. A sickening smell of gas came from within.

In front of the television set, which was still on, he found the bodies of Donald and Nancy. Joseph and Philip were in bed and Kenneth was in his crib. The father was lying fully clothed on a bed, apparently where he collapsed.

Mrs. Espinola later was taken to the home of a relative who was caring for her six children, two-month-old Kathleen.

A medical examiner said the father and his children died from gas poisoning caused by a defective gas heater. The safety valve had blown and water put out the gas flame.

## Support Combs Urges Truman

PADUCAH (UPI) — Former President Harry S. Truman Sunday called on Kentucky voters to support Bert C. Combs, Democratic candidate for governor, and W. Wyatt, lieutenant gubernatorial nominee, in the Nov. 3 election.

Truman declined to discuss, however, the split in the Democratic Party in Kentucky, or a telegram which he received from Gov. A. B. Chandler which criticized Combs and Wyatt.

The former president said at the Democratic rally "he did not even read the telegram from Chandler, but later learned through conversation that it consisted mainly of criticism of the Combs-Wyatt team."

The former president did not mention the governor in his address to some 2,000 persons who gathered at Paducah Tilghman High School here. He only made reference to Chandler when asked by newsmen.

When asked what he thought of Chandler's chances of getting to be president of the United States, Truman indicated his answer by forming a zero with his thumb and forefinger. He added, "I don't mean that as anything against Happy. A lot of others are in the same fix as he is."

The former president described Combs as a man "who wants to put Barkley ideas into practice in your state government."

Alben Barkley, a native of Paducah, was vice president under Truman.

Alben told me many times, Truman said, "that he seldom took part in Kentucky primaries. But one of the few exceptions he made during his long career

## - SPORT PARADE -

By JACK CUDDY

United Press International  
NEW YORK (UPI) — The won-  
derful world of Larry Sherry  
includes no shadow of a post-  
World Series Jonah.

Big, black-haired Sherry is a  
very modest young man but he  
said confidently today, "I expect  
a good season in 1960 be-  
cause I've finally got control."

The 24-year-old right-hander  
who pitched the Los Angeles  
Dodgers to their series triumph  
over the Chicago White Sox is  
confident that his slider, fast-  
ball and curve will protect him  
against the Jonah that threaten-  
ed the previous three series  
rounds.

Burdette Escapes Jonah  
They were Bob Turley of the  
New York Yankees, 1958, who  
wound up 8-11 this year; Lou  
Burdette of the Milwaukee Braves  
in '57, who moaned the post-Series  
blues in the early stages of  
the '58 campaign but finally es-  
caped the Jonah and did well;  
and Don Larsen of the New  
York Yankees, in '56, who had  
an in-and-out season in '57 and  
pitched only 140 innings, although  
credited with a 10-4 mark.

Some wits have even stretch-  
ed the Jonah string to Johnny  
Pérez of the Brooklyn Dodgers,  
who pitched Brooklyn in to its  
first-series triumph in '55. John-  
ny spent the '56 campaign in the  
Navy.

"I don't believe I'll shut off  
next season," said Sherry, who  
flew in from Los Angeles for  
Sunday night's Ed Sullivan TV  
show. "I certainly hope I don't  
because it's really wonderful to  
be a winner."

Can't Hide Amusement  
Larry looks as starchy-eyed as  
a country boy who had just in-  
herited a million bucks. He  
couldn't hide the amusement in  
his voice as he told of the hun-  
dreds of congratulatory letters  
and telegrams, and of the mount-  
ing number of offers for personal  
appearances and advertising en-  
dorsements.

For a chap who was born  
clubfooted and who wore braces  
until he was 12, it seemed that  
paradise had been reached when

he was called up from St. Paul  
club on July 4 by the Dodgers.  
But now he has zoomed to World  
status delightfully incredible.  
Series stardom, and he finds his

The Vice-president, Jimmie Arm-  
strong introduced Mr. L. D. Miller,  
from Murray Chamber of Com-

## Top Ranked LSU's Showdown With 5th Place Ole Miss Heads Big Ten Program This Week

By JOE SARGIS

United Press International  
Top-ranked Louisiana State's  
showdown with Mississippi, Army's  
first ever game against the Air  
Force Academy, the annual Navy-  
Notre Dame tussle and a trio of  
Big Ten contests top this week's  
college football program — the  
most attractive of the season.

Also vying for fan interest are  
such pairings as Texas Christian-  
Baylor and Texas — Southern Me-  
thodist in the Southwest, Southern  
California — California and Wash-  
ington-UCLA in the Far West, and  
Pittsburgh — Syracuse and a full  
slate of Ivy League games in the  
East.

**LSU, Ole Miss Win**  
LSU and Mississippi, two of the  
10 remaining major unbeaten and  
untied teams, both won during the  
week end to make this Saturday's  
meeting at Baton Rouge the South's  
Tigers (6-0) scored a somewhat  
unimpressive 9-0 victory over Flori-  
da to run the nation's longest  
winning streak to 18 in a row,  
while Ole Miss, ranked fifth, crush-  
ed Arkansas, 28-0, for its sixth  
straight.

Army's tattered legions, rebound-  
ing after a sluggish start, ripped  
visiting Colorado State, 26-6, to  
run their season record to 3-2,  
while the Air Force, whose victory  
streak was snapped at 15 straight  
a week ago, ripped UCLA Friday  
night, 20-7. That gave the Falcons  
a 4-1 record in their second season  
of "big time" action.

A crowd of 70,000 is expected to  
watch the service academy struggle  
in Yankee Stadium. The game, sold  
out for weeks, also will feature the  
colorful marching of West Point's  
entire Cadet Corps and a repre-  
sentative group from the Air Force.

**Navy Battles Irish**  
The Navy-Notre Dame game at  
South Bend, Ind., will be the 33rd  
in their series which first got un-  
derway in 1927. The Irish hold a  
decided edge, 25-4, while one game  
— in 1945 — wound up in a tie. Both  
teams this year are a bit under par  
(for them), with Navy sporting a  
2-3-1 record and Notre Dame 2-3.

The Midshipman battled to a 22-2  
tie with Pennsylvania during the  
week end, while the Irish dropped a  
30-24 decision to second-ranked  
Northwestern.

The Big Ten lineup, which will

produce one of the Rose Bowl  
teams, has Wisconsin (2-1) pitted  
against Michigan (1-2), Michigan  
State (2-1) against Ohio State (1-2)  
and Purdue (2-1) against Illinois  
(2-1). Northwestern, the conference  
leader with a 3-0 record, plays  
Indiana (1-2).

#### Miss Eva Dick Weds Mister Glen Hale At Cherry Corner Baptist Church In September

MR. AND MRS. GLEN HALE

At three o'clock on Sunday afternoon, September 20, at the Cherry Corner Baptist church at Murray, Miss Eva Dick, daughter of Mrs. Veopel Dick and the late Mr. Ellis Dick became the bride of Glen Hale, son of Mr. and Mrs. Owen H. Hale.

The Rev. R. J. Burpee performed the double ring ceremony before an arch of white gladioli. The altar was composed of greenery and white tapers of tiered candelabra. The family pews were marked with greenery and white satin bows.

A program of nuptial music was presented by Miss Lucy Ann Forrest, pianist, and Mr. Joseph Green sang "I'll Walk Beside You" and "Whither Thou Goest". Miss Sharon Hughes accompanied Mr. Green in a duet of "The Lord's Prayer". Mr. Green sang "I Love You Truly" as Mrs. Dick and Mrs. Hale entered the church.

Entering on the arm of her brother, Mr. Willie Dick, the bride wore a ballerina length gown of white Chantilly lace over slipper satin. Her veil of white illusion fingertip length gathered into a headpiece of iridescent sequins. She carried a bouquet of white carnations tied with lace and satin ribbons. Her only jewelry was a bracelet, a gift of the groom.

Attending the bride were Miss Nell Bishop, maid of honor, Miss Clara Jean Hale, sister of the groom, and Miss Lucile Hale, cousin of the groom, as bridesmaids. Miss June Dick, sister of the bride, was junior bridesmaid.

The attendants wore identical styled dresses of pale pink and pale blue. The maid of honor chose a white feathery headpiece and the bridesmaids selected pale blue illusion shoulder length veils. The junior bridesmaid wore a pale blue headpiece. They carried bouquets

of white carnations with matching ribbons.

Miss Reta Futrell, flower girl, wore a pink dress identical to that of the maid of honor. She carried a basket of pink flower petals. Jimmy Lynn Futrell was ring bearer.

Mr. Edward Hale, brother of the groom, acted as best man. Ushers were Mr. Rob Dick, Mr. Dewey Dick, both brothers of the bride, and Mr. Freddy Herndon.

Mrs. Dick chose for her daughter's wedding a black and white sheath with black and white accessories. Her corsage was white carnations.

Mrs. Hale, the groom's mother, wore a beige lace sheath with matching accessories. Her corsage was white carnations.

After the ceremony, the couple left for an unannounced wedding trip. They will reside at their home on Route Five, Murray.

**PERMIT FOR SPIKE HEELS**—City Clerk S. H. Hendrix issues the first spike heel permit to Mrs. Betty McNutt in Mobile, Ala., as she lifts a pretty leg to show just what the heel is like. The city became involved in lawsuits brought by spike heel-wearing women who became involved in pavement accidents and such because of the heels. Hence, the license to wear them, which protects the city against damages.
